NOTICE OF MARKET WORKGROUP, WORKSHOP NO. 4

Re: In the Matter of Carbon and Electricity Markets Stakeholder Work Group,
Docket UE-190760

TO ALL INTERESTED PERSONS:

The Markets Stakeholder Work Group (MWG) is holding its fourth educational workshop from 9 am to 2:30 pm on Friday, August 28, 2020. The workshop will include an analysis and discussion of designing effective and least cost compliance mechanisms for clean energy standards, interaction of voluntary and corporate-purchase renewable programs with the Clean Energy Transformation Act, Energy Imbalance Market transactions and California Cap-and-Trade compliance, and the relationship between source-based and attribute-based emissions accounting. It will also include a presentation from the perspective of a non-utility market participant. The workshop agenda and presentation materials will be posted to this docket by 5 pm, August 27, 2020. The public is invited to participate in the workshop. There will be an opportunity for public comment and questions during the workshop.

Due to [COVID-19](#), the workshop will be done remotely via Zoom. The information for the Zoom Meeting is:
