**RESPONSE TO BENCH REQUEST NO. 7:**

After accounting for the correction proposed by Mr. Duvall at Exh. No.\_\_(GND-4T) at 43:8-12, the adjustment values related to within-hour integration, presented on Exh. No.\_\_(BGM-1CT) at 43:20-21, would be a "\$3.0 million reduction to WCA NPC, with \$702,450 allocated to Washington."

Please find attached a revised page 43 of Mr. Mullins' responsive testimony that reflects the above adjustments.
