**NOTICE OF BENCH REQUESTS
(Due by Friday, January 9, 2015)**

RE: *Washington Utilities and Transportation Commission v. Pacific Power & Light Company*, Dockets UE-140762, UE-140617, UE-131384, and UE-140094 (consolidated)

TO ALL PARTIES:

Except for Bench Request No. 8, which is new, these Bench Requests are formal restatements of the draft requests provided by Pacific Power & Light Company (Pacific Power) on December 19, 2014. There is some clarifying detail. If necessary, please supplement any responses already provided or in process.

Bench Request No. 1. Public Counsel - Public comment exhibit.

Bench Request No. 2. Pacific Power - Please provide the Company's return on equity for 2014 from the quarterly results of operations reports.

Bench Request No. 3. Pacific Power - Please describe the Company's re-pricing alternative for qualifying facility contracts in Oregon and California in detail, including the inflation factor, and describe how the results of the re-pricing alternative would change if the Oregon and California qualifying contracts with terms greater than five years were re-priced every five-years using avoided cost rates in effect and filed with the UTC at the time of re-pricing.

Bench Request No. 4. Pacific Power - Please provide the Towers Watson actuarial report for 2014.

Bench Request No. 5. Pacific Power - Please provide the history of PacifiCorp's allocation of cost of qualifying facilities since the inception of PURPA (1978) to present.

Bench Request No. 6. Pacific Power - Please provide the median residential usage for residential schedule 16 and low-income schedule 17 in each month of the test period.

Bench Request No. 7. Boise White Paper, L.L.C. - Please update the numbers on page 43 of Mr. Mullins's responsive testimony to reflect the revisions on page 3 of BGM-8Tr.

Bench Request No. 8. Pacific Power - Provide a list of all qualifying facilities in Washington, Oregon and California. Please include:

- a) The date the original contract was signed, the term of the fixed-price portion of the contract, and any other prices included in the contract during the term of the contract if the fixed-price of the contract ends before the term of the contract.
- b) The date of any renewal of a contract, the term of the fixed-cost portion of the contract, and any other prices included in the contract during the term of the contract if the fixed-price of the contract ends before the term of the contract.
- c) The rate (\$/MWh and any \$/MW) used in each qualifying facility contract for the test period, and the total dollars paid under the qualifying facility contract for the test period.

Please respond no later than Friday, **January 9, 2015**.
