RE: *Washington Utilities and Transp. Comm'n v. Avista Corp. d/b/a Avista Utilities*
Dockets UE-240006 and UG-240007 (Consolidated)

Dear Mr. Killip

Enclosed for filing in the above-referenced dockets are additional Cross-Exhibits to be included along with the previously-filed Cross-Exhibits for Avista witnesses Adrien McKenzie and Kevin Christie.

These additional Cross-Exhibits are meant to correct for omissions in the previously-filed Cross-Exhibits of the other parties. Accordingly, the Commission will have before it the complete response of Avista to Data Requests tendered as Cross-Exhibits by other parties.

- KJC-__X (Complete response to Staff Data Request No. 10): Public Counsel Cross-Exhibit KJC-__X and KJC-__X only include portions of Avista's response to UTC Staff Data Request No. 10 (Attachments E and L) and do not include all necessary attachments to make the response complete. Accordingly, Avista is providing its complete response in KJC-__X, which includes all attachments.
- AMM-__X (Avista response to AWEC Data Request 121 & 121C): AWEC Cross-Exhibit AMM-__X (AWEC DR-130) does not include Avista's response to AWEC DR 121 & 121C, which is incorporated by reference in Avista's response to AWEC

DR 130. Accordingly, Avista is providing its response to AWEC DR 121 & 121C in AMM-__X, in order to make AWEC's tendered Cross-Exhibit AMM-__X (Avista Response to DR 130) complete. This Cross-Exhibit contains confidential information and is filed under the Protective Order in these Dockets. Redacted versions are also provided.

- KJC-__X (Avista response identified as Staff DR 124C Supplemental): Staff's Cross-Exhibit KJC-__X(1) does not include Avista's supplemental response. Accordingly, Avista is providing its supplemental response in order to make Staff's tendered Cross-Exhibit complete. This Cross-Exhibit contains confidential information and is filed under the Protective Order in these Dockets. Redacted versions are also provided.

Avista requests that these additional Cross-Exhibits be grouped under the appropriate witness (either McKenzie or Christie), so that they can be considered along with the other tendered Cross-Exhibits.

Questions regarding this filing should be directed to Liz Andrews at (509) 495-8601.

Sincerely,

/s/ *David J. Meyer*
