Subject: **Completion of Work Funded by GCPF Grant**

On March 31, 2005, the Commission awarded a Grade Crossing Protective Fund Grant of up to \$10,000 to Tacoma Rail in Docket TR-050390. Use of the funds was limited to upgrading train detection circuitry at the Columbia Street grade crossing in Olympia.

On May 31, 2005, Tacoma Rail submitted a request for reimbursement for work pursuant to the Commission Order in TR-050390. Commission Staff verified that the project was completed according to the conditions of the order approving the grant.

The attached expenditure summary indicates that the total cost of the project \$12,219.70. The grant in TR-050390 limits GCPF disbursement to \$10,000. Accordingly, Tacoma Rail should be reimbursed a total amount of \$10,000.
