1 On October 20, 2005, Network Essentials, Ltd. filed with the Commission a formal complaint against the Grant County Public Utility District 2 (GCPUD). On November 10, 2005, GCPUD filed an answer to the complaint. The complaint requests that GCPUD’s rate policies pertaining to telecommunications be reviewed by the Washington Utilities and Transportation Commission. A more detailed account of the dispute is reflected in the complaint, which is available for inspection at the Commission’s office located at Chandler Plaza Building, 1300 S. Evergreen Park Drive S.W., Olympia, Washington, and on the Commission's web site at www.wutc.wa.gov/051602. It is appropriate that the matters raised in the pleadings be brought for hearing before the Commission.

If you appear via the teleconference, you must place your call five minutes before the time that the conference is scheduled to begin.

5 The purpose of the prehearing conference is to take appearances and interventions, establish dates for the distribution of evidence and workpapers and other scheduling matters, consider formulating the issues in the proceeding, and to determine other matters to aid in its disposition, as specified in WAC 480-07-430.

6 Petitions to intervene should be made in writing at least three business days prior to the date scheduled for the prehearing conference, as required in WAC 480-07-355(a).
