Subject: TR-051919
Completion of Work Funded by Grade Crossing Protective Fund (GCPF)

On December 12, 2005, the Washington Utilities and Transportation Commission (commission) awarded a GCPF grant of up to \$20,000 to Washington Operation Lifesaver in Docket TR-051919. Use of the funds was limited to installing fencing at Golden Gardens Park in Seattle in partnership with the city of Seattle and BNSF Railway.

On September 13, 2006, Washington Operation Lifesaver submitted a request for reimbursement for work pursuant to commission order. Commission staff conducted a site visit and verified that the project was completed according to the specification outlined in the order approving the grant.

The attached expenditure summary indicates the total cost of the installation of the fencing is \$23,081.92. Please issue a reimbursement check to Washington Operation Lifesaver in the amount of \$20,000.
