LESS THAN REQUIRED NOTICE REQUESTED BY:

Verizon Northwest Inc. (Utility Name)	313-013-420 (Utility UBI Number)
Utility proposes: Amendment 1 to Agreement for CentraNet Services (Contract Title)	Number: 1381ICB

Indicate below, or attach, an explanation of the reason the company requests permission to file the proposed provisions with less than required notice. Include the appropriate rule reference.

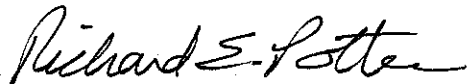

WAC 480-80-142(7)(c). This amendment will extend (for up to twelve months) the customer's contract for CentraNet and related services. The contract will expire on February 28, 2009. The company and the customer were not able to complete contract negotiations and processing in time to file this amendment thirty or more days before the expiration date. While some of the services and features may revert to tariff rates for the minimum period of thirty days, the customer cannot receive its Station Message Detail Recording and Customer Moves, Adds Changes services under tariff, so they would have to be suspended during such thirty days, which would negatively impact the customer.
