

Dear Mr. Shirley,

RECEIVED  
RECORDS MANAGEMENT  
07 OCT 15 AM 8:55

In regard to Docket:  
UT-071737, we are wanting  
to drop the request for  
a phone line at this point.  
If we are unable to drop this  
case without losing the  
ability to resume it at  
a later date, then we will  
continue the pursuit of a  
telephone line now, we are  
just too busy at this stage  
of our lives to waste time.  
Maybe next spring or summer.  
Maybe never, we are starting  
to like life without phone.  
Thanks for your time.

Scott Kieft

Sincerely,
