Re: 2009 ETC Certification: Qwest Corporation's 2008 USF Data Submission to
NECA

Dear Mr. Danner,

On July 31, Qwest filed its annual ETC certifications and reports and annual plan for universal service support expenditures. Since that filing, Qwest has filed its 2008 USF Data Submission to NECA. Staff had previously requested that Qwest include this report in its annual ETC filing. Consequently, Qwest is now providing a copy of the report to be included with its annual filing.

Please feel free to contact me if you have any questions.

Sincerely,

Mark S. Reynolds
