RECEIVED
WUTC
COMMUNICATIONS SECTION

Dear Mr. Lykken:

Chevron Pipe Line Company (CPL) received your letter (dated 10-06-10) regarding our response to WUTC case docket PL-100248. We thank you for approving our response to each docket item and allowing CPL time to develop a breakout tank inspection program for tanks built to API 620.

CPL will develop an API 620 inspection and maintenance program for tanks T-1 & T-2. We will contact you prior to June 1, 2011 to choose a date to meet and review our new plan with your department.

CPL is striving to continually improve the safety of its systems and believes that we are an industry leader in this regard. If you have questions or need further information, please contact me at (713) 432-3332.

Sincerely,

Electronic Transmittal
