RE: Docket No: TV-101079, 6/17/10, Wade Taylor d/b/a Professional Relocation Services

We believe that the use of "Professional" in the name Professional Relocation Services is too similar to our name, Professional Moving & Storage, Inc.

We are both in the same industry, doing the same type of business and it would be too easy to confuse the two names. We have been in business since 1993 and we believe that it infringes on our established presence within Kitsap County.

We would appreciate your help and consideration in this matter. Please keep us advised as to the status of our protest to this application being approved.

Sincerely,

  
Michael N. Oswald  
President
