

UTILITIES AND TRANSPORTATION
COMMISSION

TO: Dave Pratt, Assistant Director, Transportation Safety

FROM:  Tina Deipski, Transportation Specialist 3

DATE: June 16, 2011

SUBJECT: Docket TV-101489; Application for Permanent Authority

On September 3, 2010, Pacific Shore Moving & Logistics, LLC, d/b/a Pacific Shore Moving, filed Docket TV-101489 requesting permanent household goods authority.

The commission granted the company temporary authority subject to conditions pending a decision on its application for permanent authority. The company has operated under Household Goods Carrier permit THG-64102, since December 14, 2010.

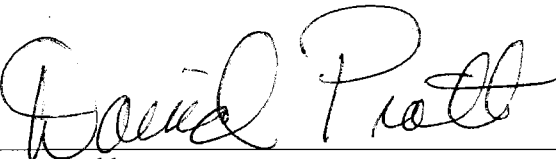

Under WAC 480-15-330, the commission will grant or deny an application for permanent authority after conducting a complete review of the application filings, supporting statements, reports, or other information necessary to determine fitness, public interest, and current or future public convenience and necessity.

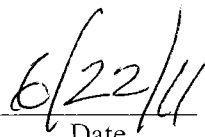

Compliance staff worked with the company providing technical assistance during its temporary operations. Investigator Tom McVaugh completed a Safety Compliance Review, a Household Goods Technical Assistance and Records Review Checklist. Investigator McVaugh found the company in general compliance and on June 6, 2011, he recommended the applicant be considered for permanent authority.

The current provisional permit THG-64102 is in order as follows:

- Records Center has the annual report on file for 2010.
- Financial Services reports the company has paid appropriate regulatory fees.
- The commission does not have any outstanding penalty or other fine against THG-64102.
- Consumer Affairs does not have a pending consumer complaint.
- Transportation Safety does not have a pending compliance action.

I recommend the commission grant TV-101489 without hearing and reissue permit HG-64102 to Pacific Shore Moving & Logistics, LLC, d/b/a Pacific Shore Moving, as unrestricted permanent authority to operate as a household goods carrier in the state of Washington.

Special Study Information:

Remarks:

On May 3rd, 2011, I contacted Mr. Nathaniel Combs, owner of Pacific Shore Moving & Logistics (Pacific), at the carrier's residence/office located at 2401 N. Cedar, Tacoma, WA. The purpose of my contact was to conduct a recheck compliance review on Mr. Comb's provisional household goods operation. This authority is registered with the commission under THG-64102.

Pacific is also registered under USDOT #2048950, as an intrastate only carrier.

This recheck was in response to the Conditional rating that Pacific received as the result of the initial compliance review that I conducted on March 29th, 2011. At the time of this initial review, I discovered that Mr. Combs failed to maintain any safety records required by the commission. These missing records included hours of service, driver qualification files and proof of medical qualifications. Mr. Combs stated that he thought these record keeping requirements only applied to future drivers that he might hire, and not to himself as an owner/operator. Prior to departing his residence after the initial compliance review, I provided extensive education and training on the required regulations. For further information, refer to Assignment #111058, attached.

This recheck covered the period of March 30th, 2011 through May 3rd, 2011. During this period, Mr. Comb's moving business has increased significantly. All of his moves have been conducted in a non-CDL truck that he rents from U-Haul. All of the moves were within 100 air miles of Mr. Comb's residence.

The carrier has not experienced any recordable accidents.

There were no violations noted during this recheck. Mr. Combs corrected all noted violations in the initial compliance review. He complied with the requirements and recommendations noted previously, and displays a willingness to comply with all commission regulations. As a result of this compliance review, he received a Satisfactory safety rating.

I am submitting this assignment for closing and recommending this carrier for permanent household goods authority.

No further actions at this time.
