RE: Request for time extension to response to findings of 2010 Master Meter Inspection at Bow Lake Inc.

Dear Mr. Lykken:

I am writing to request an extension to the January 18, 2011 deadline for our response to your December 15, 2010 Report regarding Bow Lake Inc. Master Meter System. We have scheduled a Company Meeting with the Corporate Officers of Bow Lake Inc. on January 20, 2011. This extension will give us an opportunity to discuss and concur on our response to your findings.

Therefore, I request that you allow us to respond to you in writing during the week of January 24<sup>th</sup> to the 28<sup>th</sup>, 2011.

We hope you find those dates acceptable.

  
Bob Mayfield, Mgr.  
Bow Lake Inc.
