Subject: **CONTRACT NO. 1437 ICB**

Dear Mr. Danner:

Frontier Communications Northwest Inc. submits for filing Contract No. 1437 ICB, Addendum No. 12 to an existing customer specific contract that provides Integrated Services Digital Network-Primary Rate Interface (ISDN-PRI) service for a term of twelve (12) months.

The customer is currently receiving service under an agreement filed under Contract No. 1421 ICB in Docket No. UT-110187. The purpose of the amendment is to extend the term of the contract for twelve (12) months, which will allow the company and the customer time to negotiate a new national master services agreement.

The service is offered under contract because the pricing, certain terms and conditions are not available under tariff. The company requests an effective date of February 11, 2012 for this contract.

If you have any questions concerning this contract, please call me at 972-908-4415.

Sincerely,

A handwritten signature in black ink that reads "Kim Douglass" with a long horizontal flourish extending to the right.
