Dear Customer:

April 29, 2011

Olympic Disposal has filed a request with the Washington Utilities and Transportation Commission (WUTC) in an effort to recover increased operating costs of labor, employee benefits, fuel, parts and equipment. The last general rate increase was approved by the WUTC January 1, 2009. Since that time, the Company has experienced increases in operating costs in the areas of labor, employee benefits, fuel, parts and equipment amongst other categories which it now seeks to update in rates.
