Mr. Johnson, Mr. Solin, and Mr. Lauver:

I am writing on behalf of the Records Center to confirm that the application for Northwest Smoking & Curing, Inc., was complete prior to the publication of the Transportation Docket on May 17, 2013. The replacement pages were submitted to the Commission and forwarded to the Records Center on May 16, 2013, but were not posted until June 21, 2013. This was an oversight on my part, as I was covering for another staff member and I did not post them into the Records Management System, which is part of the normal process. I apologize for any confusion or inconvenience that this may have caused you.

If you have any questions regarding this email, please reply or contact me at the number listed below.

Once again, my apologies.

Sincerely,

Lisa Wyse, Manager
