Subject: **TR-143906 – Simpson Lumber**
Completion of Grade Crossing Protective Fund (GCPF) Project
Signing at 14 Railroad Crossings

On January 29, 2015, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$936.28 to Simpson Lumber for a project related to signage at 14 crossings owned by Simpson Lumber. The total project cost was estimated at \$936.28.

On April 1, 2015, Simpson Lumber Company submitted a request for reimbursement for the project. Rail Safety staff confirmed the signs are in place and that the project was completed according to the specifications outlined in the order approving the grant. The total cost was \$991.98. Simpson Lumber will pay the \$55.70 overage amount.
