Subject: Attn: Steven V. King/Request for Commission Review

Dear Commission/Steven V. King

My name is Isaiah Fikre, owner of Puget Express LLC, and I am requesting a hearing by the commission to review my case. Unfortunately there was not enough space to respond elaborately but here is my situation.

Some time ago before the deadline, I specifically faxed the Annual Report followed a bit later with the Regulatory Fee. However, for some add reason, Regulatory Fee was paid but for the Annual Report, I get slapped with a \$1000 fee. While, I appreciate the great work UTC does in staying on top of us in representing our state to tourist efficiently, I believe, it wold be nice for the commission to keep all lines of communications open. In doing so, it's only fair to assign or designate an email and a fax number for us to send information to. This way, someone like me wouldn't have gone through so much to get a fax number to fax it. I have sent them to several fax numbers by calling the main number for UTC but I did not feel ensured that my faxes where delivered to the right individual. Which I think it's the reason why my docs where never received.

I also want to remind you that, I only have one car and it's main mission is to make sure if guest has a need for a larger vehicle than SUV or Vans, we have something larger available to accommodate. Which is rare and it means the bus does not even bring \$1000/month. With that in mind please understand that the fax was sent and possibly did not get channeled to the right desk. I am a productive member of our transportation community and I would never neglect such a think regardless the level of penalty. Thank you so much in advance for being understanding and do not hesitate to contact me if I can be any help. My full contact, including Fax is below. Ms. Hazzard, sorry I have to including you here in the absence of Mr. King bu it's all to ensure nothing falls between the lines.

Cheers,

Isaiah Fikre
