Subject: **TR-160186 – Walla Walla County Public Works**
Completion of Grade Crossing Protective Fund (GCPF) Project
Port Kelley Road – USDOT 844389C

On March 10, 2016, the Washington Utilities and Transportation Commission (Commission) awarded a GCPF grant totaling \$50,000 to Walla Walla County Public Works (County) for a project related to realigning the roadway and repaving the asphalt approaches to the Port Kelley Road crossing, identified as USDOT 844389C. The estimated total project cost for the project was \$77,771.48. The actual cost of the project was \$232,304.83.

On December 14, 2016, the County submitted a request for reimbursement. Rail Safety staff inspected the crossing on December 21, 2016, and confirmed that the project was completed according to the specifications outlined in the order approving the grant.
