Re: TC-160497 Compliance Filing

Dear Mr. Killip,

Beeline Tours Ltd dba Seattle Express (Certificate C-1052) seeks to notify the commission of the release of its mortgage with this filing. In compliance with Order 01, and to record the release of the mortgage, the original Certificate of Public Convenience and Necessity No. C-1052 is being submitted.¹ The company is also providing proof of mortgage satisfaction and a reference copy of the mortgage certificate highlighting the deleted language.
