Subject: Jolly Trolley comments re: forebearance request for Friday Harbor, San Juan Island

Dear sirs and ladies:

If the commission thinks the Jolly Trolley is just giving tours, they are mistaken. The Jolly Trolley is working on a scheduled arrival departure system, transporting, tourists as if they were operating a bus/transit system.

They are disrupting a long-time operator of an island bus company which has operated on San Juan for years.

If they cannot hold to the rules and regulations of a regular transit system, they should be denied their request & follow the rules just as any other transport or bus company.

Thank you for your attention to this matter.

Regards,

Ms. Ruth "Buz" Peoples
