**RE: Lewis River Telephone Company  
RE-FILE Metaswitch Conversion: Delete/Modify Certain Offerings**

To whom it may concern:

Please find enclosed the following tariff pages:

<b>WN U-2</b>	<b>Index</b>	<b>Twenty-Fifth Revised Sheets 2</b>
	<b>Schedule 2</b>	<b>Second Revised Sheet S-3</b>
		<b>Original Sheet S-3.1</b>
	<b>Schedule 21</b>	<b>Fourth Revised sheet S-49</b>

Attached is a re-filing LEWIS RIVER would like to submit to the Washington Utilities and Transportation Commission. The purpose of this filing is to remove, grandfather and/or modify certain services and features offered by the Company. The Company will not be offering these services due to changes in network facilities. These services include Repeat Dialing (Pay Per Use only) which will be removed from the tariff as there are no customers. Repeat Dialing will still be available on a monthly flat rate basis. This tariff page (Schedule 21 S-49) was inadvertently not included in the original filing of September 7, 2016. Additionally, Original Sheet S.4 has been re-numbered to S-3.1 per staff request.

Additionally, with this filing we will be renaming Mileage Service to Off Premise Extension in an effort to standardize our language across all TDS Companies. Along with the OPX language standardization we will be grandfathering OPX provisioned in or through the Central Office. We do not yet have customer counts on this service as it is done with a switch audit at the time of conversion. A copy of the Customer Notice is included. Customers will be notified with their September bills.

**The proposed effective date remains October 7, 2016.**

If you have any questions, please contact me.

Sincerely,

Kris A. Groth
