TO ALL PARTIES:

On June 30, 2017, the Washington Utilities and Transportation Commission (Commission) assessed a \$1,000 penalty against Cement Distributors, Inc. (Company) in the above-referenced docket for failure to submit a complete annual report or pay the regulatory fee.

On August 31, 2017, the Company submitted a response indicating that it did not operate in the state of Washington during 2016 and that they have requested to cancel their certificate.

On September 7, 2017, Commission staff (Staff) filed a letter in this docket informing the Commission that the Company had voluntarily relinquished its operating authority and was no longer an active and regulated company. Staff recommended that the penalty be withdrawn and the docket closed..

The Commission has reviewed the record in this docket and accepts Staff's recommendation. The Commission withdraws the penalty and closes this docket.
