Re: Basin Disposal, Inc.- G-118
Docket Number TG-170977, Order 01

Dear Mr. King:

Basin Disposal, Inc.(Basin) is filing an Excel Workbook which contains the following worksheets in compliance with Order 01, Docket TG-170977.

This filing will generate approximately \$14,625 in regulated revenue in the following categories; residential \$3,074, commercial \$2,008 and drop box \$9,543.

This adjustment is approximately a three tenths of one percent (.003%) overall revenue increase.

The Excel Workbook, TG-170977 compliance filing contains worksheets with the following information:

1. Summary calculations for total incurred costs, tonnage for all customers (regulated and contract). Segregation of regulated tonnage by customer type (residential, commercial and drop box) with a "price out" by regulated customer type for cost recovery.
2. Tonnage collected for residential and commercial customers by regulated and contract areas.
3. Customer count by residential, commercial and industrial (drop box) customers.

Supplement No. 2 for Tariff #94 will be included in this filing. If the supplement page is approved the rates would be effective April 1, 2018. Affected customers will receive notice of the changes on the first billing, reflecting the revision to rates under WAC 480-70-271(2)(a)(iii).

Basin Disposal, Inc. is requesting this filing become effective April 1, 2018. A request for less than statutory notice is included with this filing.

Pursuant to Order 01 the company has divided the interest costs by total regulated tonnage and allocated those costs between the regulated customer classes.

The company is also hereby requesting an exemption from portions of the Workpaper rules at WAC 480-07-520(4), for this filing.

If there are any questions please contact myself or Darrick Dietrich at 509-547-2476.

Yours truly,

Weldon Burton
