To Whom It May Concern:

I'm responding to the Notice of Application on the above referenced docket notice.

Per WAC 480-15-390 , we are asking the Commission to have United Movers Tacoma not use that name since it is very similar to ours and we have not given written or any other permission for the use of the name.

United Moving & Storage Inc. has been in business for 54 years we would not want the public mislead in their selection of moving companies.

Thank you in advance for your consideration of our request.
