Re: Tariff Sheet Clean up

Dear Mr. Johnson,

The purpose of this letter is to add Orcas Highlands to Second Revision of Sheet No. 25 and hold for future use Original Sheet No. 25.1 of Washington Water Service Company's (WWSC) tariff sheets. On August 15, 2018 WWSC filed Original Sheet No. 25.1 to add Orcas Highlands to its service area. At that time, First Sheet No. 25 was under review by the Utilities and Transportation Commission in connection with WWSC's rate filing.<sup>1</sup> Since Docket UW-180592 was suspended, First Sheet No. 25 could not be revised to add Orcas Highlands to WWSC's service area. As a result, WWSC added Original Sheet Number 25.1 to its tariffs to add Orcas Highlands to its service area.<sup>2</sup>

With the conclusion of Docket UW-180592, WWSC respectfully requests to cancel Original Sheet No. 25.1, hold for future use First Revision to Sheet No. 25.1, and submit a Third Revision to Sheet No. 25 which includes Orcas Highlands.<sup>3</sup>

If there are any questions concerning this tariff update, please do not hesitate to contact me.

Sincerely,

Julian Gandara

<sup>1</sup> Docket UW-180592.

<sup>2</sup> The only difference between First sheet No. 25 and Original Sheet No. 25.1 is the addition of Orcas Highlands on Original Sheet No. 25.1.

<sup>3</sup> The service areas removed on Second Revision of Sheet No. 25 continue to remain out of WWSC's service area.
