RE: *In the Matter of the Penalty Assessment Against Rodarte Construction, Inc., in the Amount of \$2,000, Docket DG-190249*

TO ALL PARTIES:

On May 16, 2019, the Washington Utilities and Transportation Commission (Commission) issued a penalty assessment (Penalty Assessment) against Rodarte Construction, Inc., (Rodarte or Company) in the Amount of \$2,000 for one violation of RCW 19.122.030(6). In the Penalty Assessment, the Commission offered the Company the option to suspend, and ultimately waive, the penalty subject to the condition that the Company commit no further violations of RCW 19.122 within 12 months of the date of the Penalty Assessment.

On May 31, 2019, the Company notified the Commission that it accepted the condition, and on May 21, 2020, Commission staff (Staff) filed a letter informing the Commission that Rodarte had met the condition. In its letter, Staff recommends the Commission waive the \$2,000 suspended penalty and close the docket.

The Commission agrees that Rodarte has complied with the conditions of the penalty suspension. The \$2,000 suspended penalty is thus waived, and this docket is closed.
