Re: UG-190259; DO NOT REDOCKET—Supplemental Filing

Northwest Natural Gas Company, dba NW Natural (NW Natural or the Company), hereby submits the following revisions to Tariff WN U-6, stated to become effective with service on and after November 1, 2019.

Original Sheet 250.2	Schedule 250	Monthly Incremental Cost of Gas (continued)
Fourth Revision of Sheet 00.8	General Rules and Regulations	Definitions (continued)

This filing supplements the Company's filing made on April 5, 2019.

The purpose of this filing is: 1) to provide a substitute Sheet 250.2 to supplement the tariff symbols to include the appropriate footnote; and 2) to provide a housekeeping change to the definition of Winter Sales WACOG in the Definitions on Sheet 00.8 to replace outdated language and reflect the current applicable period of Winter Sales WACOG, which begins in November, while the outdated language in the existing definition refers to October.

The need for these changes was identified during the Commission's review of the Company's April 5, 2019 filing.

All other revisions to Sheet 250.1 and Sheet 250.2 as proposed in NWN WUTC Advice No. 19-02 dated April 5, 2019, have not changed and are requested to become effective as filed.

///

///

The Company respectfully requests that the tariff sheets filed in docket UG-190259 be approved by May 31, 2019, to become effective with service on and after November 1, 2019.

As requested by WAC 480-80-103(4)(a), I certify that I have authority to issue tariff revisions on behalf of NW Natural.

Please address correspondence on this matter to me, with copies to the following:
