Re: UW-190305 Effective Date Extension Request

Dear Mr. Johnson,

Washington Water Service Company (WWSC) and Staff have been working on advice letter UW-190305. However, additional time is needed to complete the review of the filing. Therefore, WWSC requests to extend the effective date of the advice letter from June 14, 2019 to July 12, 2019 to allow sufficient time for review. WWSC and Staff are continuing to work through the advice letter.

If there are any questions regarding the extension request, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read "Julian Gandara".
