Re: TV-200059– Granting Temporary Household Goods Authority, Subject to Conditions,
Pending Decision on Permanent Authority - THG069124

Dear Alans Transportation Inc:

On January 29, 2020, Alans Transportation Inc filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. You have met the initial application requirements by attending Household Goods training on February 26, 2020. The Commission provisionally grants your application and Alans Transportation Inc is now authorized to operate on a **temporary** basis.

The Commission will evaluate whether Alans Transportation Inc qualifies for permanent authority. To qualify for permanent authority, your company must satisfy the following requirements:

1. Operate for at least six months.
2. Allow the Commission to review your business operations and records. Commission staff will review records and inspect vehicle(s), and you must receive a satisfactory safety rating as a result of that review.
3. Complete a criminal background check on each person Alans Transportation Inc employs or intends to employ. The Commission will not grant permanent authority if any company employee has been convicted of any crime within the past five years involving theft, burglary, assault, sexual misconduct, identity theft, fraud, false statements, or the manufacture, sale, or distribution of a controlled substance. Even if a conviction for any of these offenses is more than five years old, the Commission will not grant permanent authority if it determines that the nature or extent of the crime(s) will likely interfere with the proper operation of a household goods moving company.
4. Pay any outstanding monetary penalty or fee owed to the Commission.

5. Resolve all consumer complaints pending with the Commission.

Enclosed with this letter are copies of Alans Transportation Inc's provisional permit and 10 copies of a self-addressed consumer survey to assist the Commission in evaluating Alans Transportation Inc's application. Please provide a copy of this survey to your first 10 customers and ask them to complete and mail it to the Commission at the address on the reverse side.

The Commission may cancel your provisional authority if you violate any applicable state law, Commission rule or tariff provision. If you have any questions, please contact Licensing Services at 360-664-1222 or by email at transportation@utc.wa.gov.

Sincerely,

Suzanne Stillwell
