Subject: Waste Management – Brem-Air, a division of Waste Management of Washington, Inc.(G-237);
Tariff #20 – TG-200418

Dear Mr. Johnson:

Enclosed, please find replacement pages 23 and 34 to the above-referenced docket. These pages reflect a correction of a clerical error. In TG-170815 to address safety concerns, Waste Management added language to its tariff to eliminate can service to all new residential and commercial customers or preexisting customers who request a change in their service level. In subsequent tariff filings the notes on the above-referenced tariff pages were inadvertently deleted. With this filing we wish to correct this error and reinstate the notes previously approved in TG-170815. Please do not re-docket.

If you have any questions or need additional information, please contact me at (425) 814-7840.

Very truly yours,

Michael A. Weinstein
