Hi,

The error on the previous tariff that was filed was the page number. Originally page 18 was filed, but it should have been listed as page 20, because the tariff items reflected on the revised page are in fact on page 20 of the current tariff and not on page 18.

Sincerely,

Scott Sevall

Scott Sevall pointed out to me that the page number on my initial filing for page 18 was numbered incorrectly and should be page 20.

I revised page 2 also to reflect this change.

Thanks

Michael Weinstein,

When we received your replacement pages for docket TG-200543 regarding Waste Management of Washington, Inc., you included page no. 20 which was not in your initial filing. You will need to file a new tariff revision for page no. 20 if you would like to make changes to it.
