Re: Docket No. UG-200823 – Avista Utilities Schedule 170 Revisions

Dear Mr. Johnson:

Attached for filing with the Commission is an electronic copy of Avista Corporation’s, dba Avista Utilities (Avista or “the Company”), filing of its proposed revisions to the following tariff sheets, WN U-29:

Substitute Fourth Revision Sheet 170-G	Canceling	Fourth Revision Sheet 170-G
Substitute Original Sheet 170-P	Canceling	Original Sheet 170-P

On September 22, 2020, Avista filed proposed revisions to its natural gas tariff WN U-29, Schedule 170, Rules and Regulations, with subsequent filings made to extend the effective date of the revisions to, ultimately, December 11, 2020 to allow appropriate time for Commission Staff review. Having worked collaboratively with Commission Staff in the evaluation of the proposed tariffs, the Company hereby submits its final modifications to the tariff sheets referenced above in order to incorporate several edits discovered through Commission Staff’s review. While not substantive in nature, the revisions contained herein add clarity to various sections of Avista’s Schedule 170, correct inadvertent errors, and further align the tariff sheets with the intention of WAC 480-90.

If you have any questions regarding this filing, please contact Jaime Majure at (509) 495-7839 or jaime.majure@avistacorp.com.

Sincerely,

Received
