RATE INCREASE NOTICE – PORT TOWNSEND PAPER OCC REJECT HAULS

Dear Customer:

November 30, 2021

Murrey's Disposal Company, Inc. d/b/a Olympic Disposal has filed a request for a change to the Intermodal Box and Chassis Charge, also referred to as the "Mill Haul" rate, with the Washington Utilities and Transportation Commission (WUTC). Since this rate was last updated on June 1, 2011, the Company has invested in new capital and experienced increases in operating costs in the areas of labor, employee benefits, fuel, parts and equipment amongst other categories which it now seeks to update in rates.

If approved, the proposed rates will become effective January 1, 2022. Rates per haul to two disposal facility options are proposed as follows:

	Current Rate	Increase	Proposed Rate
Cowlitz Landfill	\$ 1,413.68	\$ 520.15	\$ 1,933.83
Wasco Landfill	\$ 1,413.68	\$ 1,105.46	\$ 2,519.14

If you have any questions regarding this increase, please contact Chad Young, District Manager at 1-360-452-7278.

The Commission has the authority to set final rates that may be either lower or higher from the company's request, depending on the results of its investigation. Commission staff will make a recommendation to the Commissioners at an open meeting which is scheduled for 9:30 a.m. on December 23, 2021. The UTC building is closed to the public until further notice. This open meeting will be conducted remotely. If you intend to listen or participate, call 360-664-1234 for instructions the day before the open meeting. You can also call this number for the status of the UTC building closure or visit www.utc.wa.gov.
