ERRATA TO PENALTY ASSESSMENT NOTICE

Re: *In the Matter of the Penalty Assessment Against Puget Sound Energy in the Amount of \$5,000, Docket D-220826*

TO ALL PARTIES:

On January 4, 2023, the Washington Utilities and Transportation Commission (Commission) issued a Penalty Assessment in the Amount of \$5,000 Against Puget Sound Energy (PSE or Company) for Violation of RCW 19.122.030(3)(a) (Penalty Assessment) in this docket. It has come to the Commission's attention that the Penalty Assessment contained an error, which it corrects here.

In the first paragraph, the Penalty Assessment states that PSE violated RCW 19.122.030(3)(a) "by failing to mark the boundary of the excavation area with white paint." In fact, the violation was for failing to accurately mark the underground utilities within the boundaries that the excavator had marked in white paint, as stated correctly elsewhere in the Penalty Assessment.
