Re: TV-230225 – Issuing Permanent Household Goods Permit HG070801

Dear San Juan Moving Company:

On April 10, 2023, San Juan Moving Company filed an application with the Washington Utilities and Transportation Commission (Commission) to provide residential household goods transportation services in the state of Washington. On May 9, 2023, the Commission approved the application in part and granted San Juan Moving Company temporary authority to provide those services.

The Commission has determined that San Juan Moving Company qualifies for permanent household goods carrier authority and approves the application in full. Permit HG070801 issued in the name of San Juan Moving Company is enclosed, and the company may now operate on a permanent basis.

San Juan Moving Company must continue to comply with state laws, Commission rules, and the provisions of Tariff 15-C. Failure to do so will result in Commission enforcement action, up to and including revocation of the company's permit.
