Re: BC-000117; San Juan Express, Inc. d/b/a SAN JUAN EXPRESS Continuance Request

Dear Mr. Killip:

The Commission has set, pursuant to Order 01 in the above docket TS-230253, March 30 (April 1) as the time to inform the Commission of San Juan Express's intent with regard to resuming on service on the certificated commercial ferry route between Friday Harbor and Seattle. This is to request a brief continuance of that deadline, under WAC 480-07-385, to April 15 in order to allow the Company more time to fully explore one remaining option the Company is presently reviewing before providing an answer to the Commission in the form of a subsequent Petition for Discontinuance or, alternatively, a proposed tariff and time schedule for the seasonal sailing season.

In that filing, at a minimum we would anticipate providing an additional detailed update similar to that of our December 29, 2023 letter at that time.

Thank you for your attention to this matter.

Sincerely,

David W. Wiley
