Hi Mike,

You are correct, it should be for both crossings.

The GCPF grant proposal is for 098614H.

Thank you,  
Marla

Thank you Marla. Because there are two crossing on Division Street, the city filed two petitions. I understand that your email serves as notice of completion for both TR-230370 and TR-230371. (USDOT 098614H and 101866R).

For the GCPF grant proposal, will you please remind me which crossing that will be for?

Thanks,  
Mike

Hi Mike,

Thank you for meeting with Michael and I a few weeks ago regarding the Grandview crossing. We were notified by BNSF that the recent relocation of the crossing arm and cantilever in Grandview was completed and is now ready for WUTC final inspection. Please let me know if you need anything from us.

Additionally, I have provided the UTC Form Requesting Disbursement of Funds from the Grade Crossing Protective Fund to Iron horse/CWA for review and concurrence. Once I have their approval, I will submit to you for processing.

Please let me know if there are any questions or further requirements.

Thank you,
