**BEFORE THE WASHINGTON UTILITIES AND TRANSPORTATION COMMISSION  
LESS THAN STATUTORY NOTICE REQUESTED BY:**

**\* Company proposes to change (Include Title of Provision, Tariff number and Sheets/Pages being changed):**  
Tariff #9, Customer Notification for Tip Fee Increase

**\* Present provisions are:**  
45 day notice to customers for all tariff changes.

**\* Proposed changes are:**  
Notify customers on the first bill as stated in WAC 480-70-271(2)(a).

**\* Explain why the company is proposing this tariff revision:**  
Notifying customers on the first bill has been the historic practice and follows WAC 480-70-271(2)(a).

**\* Explain why the Commission should allow this tariff revision to take effect with less than 30 days' notice (45 days' notice for solid waste):**  
Requiring 45 notice to the customers will result in unnecessary costs to the rate payer due to additional postage and mailing. By the time the company receives notice of a tip fee increase, generating the filing and notifying the customer creates undue burden on the company. Additionally, the historic practice is to notify customers of a tip fee increase on the first bill per WAC 480-70-271(2)(a).
