On November 25, 1990, GCI FiberNet, Inc. ("FiberNet") filed with the Washington Utilities and Transportation a petition for classification as a competitive telecommunication company and for waiver of certain regulatory requirements in Docket No. UT-901407.

On November 26, 1990, FiberNet filed an application with the Commission for registration as a telecommunications company pursuant to the provisions of Chapter 450, Laws of 1985.

The two dockets were consolidated by Commission order.

Digital Direct of Seattle, Inc. ("DDS") has become the successor in interest of FiberNet. DDS has filed a new application and petition under Docket Nos. UT-910776 and UT-910777.

By letter dated July 2, 1991, FiberNet requests the withdrawal of its application and petition in Docket Nos. UT-901406 and UT-901407 without prejudice to proceedings commenced by DDS.

The Commission believes that it is consistent with the public interest that FiberNet be allowed to withdraw its applications and that the applications be dismissed.

O R D E R

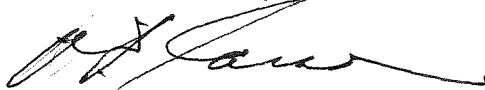

WHEREFORE, IT IS HEREBY ORDERED That the application filed under Docket No. UT-901406 and the petition filed under Docket No. UT-901407 are dismissed.

DATED at Olympia, Washington, and effective this 17<sup>th</sup> day of July, 1991.
