Item 10 – Application of Rates – General

The rates contained in this tariff cover the utilization by a waste generator of DTG Recycle’s collection, transportation, recycling, treatment, and disposal services for the specified regulated wastes identified in this tariff, as provided in Chapter 480-70 WAC.

Unless otherwise specified, the rates include the following:

1. Use of DTG Recycle containers and bags
 2. Copies of shipping documentation
 3. Collection
 4. Transportation
 5. Recycling, and
 4. End disposal.
-

Item 16 – Change in Pickup Schedule

When a company changes the pick-up date for its certificate area, or a portion of its certificate area, the company must notify all customers in the affected area of that change.

Notice must be made at least seven days before implementation of the new pickup schedule and may be made via mail, personal contact, or by a notice being affixed to the customer's Recyclable receptacle.

Item 17 – Refunds

Credit due the customer. When there has been a transaction that results in a credit due the customer, the following apply:

- (a) If the amount due is five dollars or less, an adjustment will be made to the customer's account. The adjustment must be shown on the next regular bill.
- (b) If the amount due is more than five dollars, the customer may accept an account adjustment or may request a refund.

- If the customer elects to have an account adjustment made, the adjustment must show on the next regular billing.
- If the customer elects to receive a refund, the company must issue a check within thirty days of the request.

Overcharges. Once a company becomes aware that it has overcharged a customer, it must provide a refund or an account adjustment credit to the customer. The customer must be given a choice as to which option is preferred. The refund or credit must be the amount overcharged in the three years before the date of discovery.

- If the customer elects to have an account adjustment made, the adjustment must show on the next regular billing.
- If the customer elects to receive a refund, the company must issue a check within thirty days of the request.

Prepayments. If a customer has paid service fees in advance, service is discontinued during the pre-billed period, and the customer is due a refund, the following apply:

- (a) A company must honor all requests for refunds of the unused portion of prepayments.
- (b) If the customer provides a forwarding address to the company or one can be obtained from the Post Office, the company must issue a refund check no more than thirty days following the customer's request.
- (c) If the customer cannot be located or did not provide a forwarding address and the U.S. Post Office cannot furnish a forwarding address, the amount may be presumed to be abandoned and is subject to the Uniform Unclaimed Property Act after one year.

Item 18 – Billing, Advance Billing, and Payment Delinquency Dates

Billing period.

1.0 PAYMENT TERMS

1.1. Billed Accounts. DTG will submit to Customer a weekly invoice which Customer agrees to pay under Net 30 days for “Billed Accounts.” To be valid, Billed Account status must be confirmed by DTG in writing.

1.2. C.O.D. All other Customers will pay under Collect on Delivery (COD) terms. All amounts owed by Customer are due in full and must be tendered to DTG at the time of service.

1.3. Credit Card Transactions. A minimum charge of \$25.00 applies to all Customer credit card transactions, and a 3% convenience fee will be added to the invoice total.

1.4. Delinquent Accounts. Customer balances for Billed Accounts that are thirty-one days or more past the original invoice date are considered "delinquent." Customer accounts delinquent sixty (60) days or more past the original invoice date will be subject to a 1.5% monthly finance charge (minimum \$7.00) for each and every month thereafter until all overdue invoiced amounts are paid in full. Additionally, in the case of two (2) or more delinquencies in a rolling 12-month period, DTG reserves the right to convert the Customer of delinquent Billed Account to a COD or cash account, indefinitely or until the Customer's account is current.

1.5. NSF Checks. Customer payments tendered by check(s) that are not honored or otherwise returned for non-sufficient funds ("NSF") will incur an additional \$30 handling fee or NSF fee charged by the bank, whichever is higher. Any NSF check will be replaced by Customer with a cashier's check for the original amount, plus the handling fee and applicable delinquency fee.

1.6. Collection Costs. If Customer defaults on its payment obligations under this Agreement, Customer will pay DTG all costs incurred by DTG in collecting outstanding amounts, including court costs and reasonable attorney's fees for pre- and post-judgment collection.

Item 20 – Definitions

Bale: Material compressed by machine and securely tarped or banded.

Bulky Materials: Empty carriers, cartons, boxes, crates, etc., or materials offered for disposal, all of which may be readily handled without shoveling.

Charge: A set flat fee for performing a service. Or, the result of multiplying a rate for a unit times the number of units transported.

Commercial Billing: Service billed to a commercial customer or billed to, and paid for, by a property manager or owner rather than a residential tenant.

Compacted Material: Material that has been compressed by any mechanical device either before or after it is placed in the receptacle handled by the company.

Unit means a receptacle made of durable, corrosion-resistant, nonabsorbent material, that is watertight, and has a close-fitting cover and two handles. A unit holds more than twenty gallons, but not more than thirty-two gallons or four cubic feet. A unit may not weigh more than ____ pounds when filled.

Where agreed on between the company and the customer, and where allowable under local ordinance, a box, carton, cardboard barrel or other suitable container may be substituted for the recycling container, for a single pick-up that includes removal of the container, if it meets the size and weight limits established in the company's tariff.

Yardwaste bin or container means a bin or container specifically designed or designated for the collection of yardwaste. Each company's tariff will refer to a specific type of yardwaste bin or container to be used by customers in a service area. The type, size, weight, etc., of this type of bin or container will often be set by local government plans or ordinances.

Special pick-up: A pick-up requested by the customer at a time other than the regularly scheduled pick-up time, that requires the special dispatch of a truck. If a special dispatch is required, the company will assess time rates established in the company's tariff.

Supplement: A page added to the beginning of a tariff, normally to cover emergency, temporary, or special situations. An example is a page issued to show a special surcharge imposed by a city.

Temporary service: Temporary service means providing storage bags, containers, or drop-box service at the customer's request, for a period of ninety days or less.

Unlatching: Another term for a gate charge. A flat fee imposed by a solid waste collection company when the company's personnel must unlatch a gate or door to perform pickup service.

Unlocking: A flat fee imposed by a solid waste collection company when the company's personnel must unlock padlocks or other locking devices to perform pickup services.

1. **Schedules.** A company's schedule will meet reasonable requirements and will comply with local service level ordinances. Pickups of E-Waste will be scheduled at residences on per request basis pending additional nearby pickups.
2. **Due care.** Other than to offer reasonable care, the company assumes no responsibility for articles left on or near recycling receptacles.
3. **Liability for damage.** When a customer requests that a company provide service and damage occurs to the customer's driveway due to reasons not in the control of the company, the company will assume no responsibility for the damage.
4. **Refusal of service.** (Except as set forth in Section 5, Missed service due to unsafe weather conditions road conditions, natural disaster or when government authority restricts access to local roads.)

A recycling collection company may refuse to:

- Collect recyclable materials from points where it is hazardous, unsafe, or dangerous to persons, property, or equipment to operate vehicles due to the conditions of streets, alleys, or roads.
 - Drive into private property when, in the company's judgment, driveways or roads are improperly constructed or maintained, do not have adequate turn-arounds, or have other unsafe conditions; or
 - Enter private property to pick up recyclables while an animal considered or feared to be dangerous is not confined. The customer will be required to confine the animal on service days.
5. **Missed service due to unsafe weather conditions, road conditions, natural disaster or when government authority restricts access to local roads.** A company is not required to collect recyclables when the company determines that it is unsafe to operate due to weather conditions, road conditions, natural disaster, or when government authority restricts access to local roads. The company will collect on the next scheduled service date on which the company deems it is safe to operate, and will take other reasonable actions to resume or provide alternative service as soon as reasonably practicable.
 - a. The company is not obligated to extend credit to customers for missed service if the company collects the customers' accumulated recyclables on the next scheduled service date on which the company deems it to be safe to operate. The company will not charge for extra waste set out (except provided in Item 207, if applicable) in addition to customers' normal receptacle(s), if the amount of extra waste does not exceed the amount that reasonably would be expected to accumulate due to missed service.

Item 200 – Containers, Drop Boxes and Bags – General Rules

Availability. A company must maintain a supply of all sizes of containers and drop boxes and bags for which rates are listed in this tariff. If a customer requests a container, drop box, or bag of a size listed in the company's tariff, and the company is unable to provide the requested size within 7 days of the customer request, the customer must be notified in writing or by telephone.

Alternate-sized containers and/or drop boxes. If the company cannot provide the requested-sized container, drop box (and that size is listed in the company's tariff) or bags, the company must provide alternate-sized containers, drop boxes, or bags sufficient to meet the capacity originally requested by the customer, at the same rates as would have applied for the requested container or drop box, or bag.

Rates on partially-filled containers and/or drop boxes. Full pickup and rental rates apply regardless of the amount of waste material in the container or drop box at pickup time.

Missed Pick-Up. If company is unable to pick-up containers and/or drop boxes at agreed upon time, company will reschedule for next available pick-up date. Refunds assessed on an as-needed basis.

Missing or broken bags. If customer does not use provided container or bag, company will make every effort to contact customer to approve items left for pick-up or will reschedule for a later date when appropriate container will be used.

Unaccepted materials within bag. If customer fills containers, drop box, or bag with materials not accepted by company, company will contact customer and notify them of additional disposal fees or inability to accept. A fee may be assessed for materials requiring extra handling. If materials are unable to be accepted, a fee may be assessed for the pick-up dispatch fee.

Overweight bags. If a customer storage bag is filled above a weight of 50lbs, the company will refuse to accept the bag due to safety policies.

Item 207 – Excess Weight – Rejection of Load, Charges to Transport

The company reserves the right to reject pickup of any storage bags, container, or drop box which, upon reasonable inspection:

- Appears to be overloaded;
- Would cause applicable vehicle load limitations to be exceeded;
- Would cause employee safety to be compromised;
- Would cause the company to violate load limitations or safe vehicle operation; and/or
- Would negatively impact or otherwise damage road surface integrity.

Container Safety Requirements; Additional Charges. For the safety of our Customers and their staff, as well as our drivers, please do not overload the container. To comply with Washington State Department of Transportation, the material may not stick up above the top rim or weigh more than 10 tons (or 20,000 pounds). Also, the rear doors of the container must be closed and lockable when DTG arrives to remove the container. If you are concerned about the weight of the items you need to place in the container, or if you need an additional container(s) to accommodate your materials, please call us prior to pick-up.

- i. Loads over 13 tons (or other applicable maximum specified weight) will be charged an additional \$100/ton, in addition to the initial expected rate of materials involved. Overweight loads that cannot be picked up will be charged a dry run charge equal to the entire hauling fee for the job.
- ii. A fee up to \$200/hour will be included for extended onsite driver wait times. Wait times of 15 minutes or less will not be charged a fee. After the first 15 minutes, standby charges will be calculated and charged on a 1/4-hour basis.
- iii. A fee up to \$200/hour will be included towards the labor of ensuring loads are not over height. Loads that do not require further attention by the driver, upon pickup will not be charged a fee.
- iv. Loads that cannot be reduced safely by the driver, will be charged a dry run fee until the customer reduces the load below the top rail.

Our goal at DTG is to inform and educate, so that these charges are not applied, and that our drivers are kept safe, and our equipment functioning. These fees will only be added if the above criteria are NOT met

For the purposes of this tariff, the following maximum weights apply:

Type/Size of Bags	Maximum Weight Allowance (in pounds)
