ORDER GRANTING
APPLICATION

On June 4, 1991, Washington Natural Gas Company (WNG), a Washington corporation, filed an application to amend its present Certificate of Public Convenience and Necessity to Operate a Gas Plant for Hire, No. 2, amended to include an additional area in Pierce County. (Appendix A-28)

WNG is presently certificated for and is now providing gas service in Pierce County. The additional area in Pierce County requested is contiguous to the company's present area in Pierce County.

WNG is proposing to service 31 residential customers with a main extension. There is the potential of additional growth of residential customers in the area.

This order makes no determination at this time as to the reasonableness of any gas pipeline facility construction to serve this addition to WNG's service area, but reserves the right of the Commission to determine such reasonable services and expenditures, together with the treatment of same, in any formal proceeding before the Commission dealing with WNG's results of operation for ratemaking purposes.

It appears that the application herein should be granted to satisfy the public convenience and necessity.
