RE: *Washington Utilities and Transportation Commission v. Avista Corporation d/b/a Avista Utilities*
In the Matter of the Electric Service Reliability Reporting Plan of Avista Corporation d/b/a Avista Utilities
Dockets UE-220053, UG-220054, and UE-210854 (*Consolidated*)

TO ALL PARTIES:

On December 30, 2022, the Washington Utilities and Transportation Commission (Commission) issued a Notice of Opportunity to Respond to Petition for Reconsideration and Notice Specifying the Date by Which the Commission will Act on the Petition for Reconsideration (Notice). It has come to the Commission's attention that in the third paragraph, the Notice incorrectly states the date by which responses are due as June 4, 2021. Elsewhere in the Notice the date is listed correctly as January 13, 2023. This notice serves to correct that error and clarify that the correct date by which parties must submit responses to the Public Counsel Unit of the Washington State Attorney General's Office's Petition for Reconsideration of Order 10/04 is **5 p.m. January 13, 2023**.
