**Re: Docket UE-131883
PSE's Distributed Generation Annual Report**

Dear Mr. King:

Attached is Puget Sound Energy's ("PSE's") Distributed Generation Annual Report dated August 1, 2017.

The report includes amounts of distributed generation interconnected to PSE's distribution system as of April 30, 2017. This report includes all distributed generation facilities interconnected to the PSE distribution system regardless of tariff (i.e. both net metered and non-net metered) and energy production data related to those facilities. This report also includes information on state tax incentives for distributed generation (RCW 82.16.110-130) paid by the utility during the reporting period.

Please contact Nate Hill at (425) 457-5524, or Heather Mulligan at (425) 456-2916 for additional information about this filing. If you have any other questions, please contact me at (425) 456-2110.

Sincerely,

/s/ Kenneth S. Johnson
