**RE: Investigation #14-0340**  
**Illegal Household Goods Move**

Dear Mr. Wittman:

This concerns recent investigation concerning the solicitation and movement of household goods without a license from the Illinois Commerce Commission.

We would like to take this opportunity to advise you the transportation of household goods without a license from the Commission and/or the Federal Highway Administration {625 ILCS 5/18c-4104 (1)(A)}, is against the law. A review of our records failed to reveal evidence that a household good license **has ever been issued** in the name of Chad Wittman, Chad Wittman d/b/a Dolly, LLC., or Dolly, LLC. In addition, we failed to find Dolly, LLC as a registered Limited Liability Company in the State of Illinois.

If you are brokering (putting shipper with mover and charging a portion of the revenue) household goods in the State of Illinois please be advised that is also against the law (625 ILCS 5/18c-5101 (13)).

The evidence we received are emails that indicate you are willing to move one or two items from house to house, move a studio apartment, and connect people with someone who has a truck.

Since the company is not licensed by the State of Illinois and/or the federal government to transport household goods, **YOU MUST CEASE OPERATING/ADVERTISING AS A MOVER.**

**PLEASE BE ADVISED YOU ARE 100% LIABLE FOR ANY AND ALL DAMAGES THAT MAY HAVE OCCURRED DURING ANY UNLAWFUL HOUSEHOLD GOODS MOVE AND YOU MAY NOT RECEIVE ANY KIND OF COMPENSATION FROM AN ILLEGAL HOUSEHOLD GOOD MOVE.**

Enclosed please find a household goods application and the steps needed to be done in order to obtain a household goods authority in the State of Illinois.

If you have any questions regarding this letter please feel free to contact me at (217) 782-6448.

Sincerely,

Tina Burgess
