**NOTICE OF OPPORTUNITY TO RESPOND TO MOTION  
(By Monday, June 28, 2004 at Noon)**

RE: In the Matter of the Review of Unbundled Loop and Switching Rates and  
Review of the Deaveraged Zone Rate Structure  
Docket No. UT-023003

TO ALL PARTIES OF RECORD:

On June 18, 2004, AT&T served electronically a Motion to Strike Portions of Verizon Report or to Permit Response. The motion alleges that Verizon's report addressing Dr. Selwyn's response to Bench Request No. 3 contains a discussion of Dr. Selwyn's Qwest data that exceeds the scope of his response to the bench request.

AT&T requests that the Commission strike portions of the Verizon report or, in the alternative, accept the supplemental response AT&T filed with its motion to strike.

**NOTICE IS GIVEN That the parties may respond to the motion by noon on Monday, June 28, 2004. The parties may serve their responses electronically, with a hard copy filing on Tuesday, June 29, 2004.**

Sincerely,

THEODORA M. MACE
