NOTICE OF STATUS REPORT

Re: AT&T Corp., and AT&T Communications of the Pacific Northwest, Inc., v.
Qwest Corporation, Docket No. UT-041394

TO ALL PARTIES OF RECORD:

On February 8, 2005, the Commission issued a notice in this matter suspending the procedural schedule as set forth in Order No. 04. The Notice directed the parties to jointly report back to the Commission with a status report regarding settlement discussions. On April 1, 2005, Qwest filed a request to continue to hold the procedural schedule in abeyance and states that substantive settlement discussions between AT&T and Qwest are continuing. On April 4, 2005, the Commission issued a notice to the parties stating that the Commission would hold the matter in abeyance until May 31, 2005, without the need for further extensions.

On June 1, 2005, AT&T and Qwest filed a request to continue to hold the procedural schedule in abeyance until August 1, 2005, stating the parties continue to engage in substantive settlement negotiations and anticipate that negotiations will be concluded within the next few weeks. AT&T and Qwest indicate they have contacted Commission Staff and have no objection to the further abeyance of the schedule.

PLEASE TAKE NOTICE THAT The Commission will hold the matter in abeyance until August 1, 2005, without the need for further extensions, so long as the parties report the status of discussions at least every 15 days.

Sincerely,

C. ROBERT WALLIS
Administrative Law Judge
