Re: In re Application No. GA-079331 of SURE-WAY SYSTEMS, INC. for a Certificate of Public Convenience and Necessity to Operate Motor Vehicles in Furnishing Solid Waste Collection Service  
Docket No. TG-042089

TO ALL PARTIES OF RECORD:

On August 26, 2005, the Commission suspended the procedural schedule in this docket to allow the parties to engage in settlement discussions that could possibly lead to a resolution of the issues in this proceeding. The Commission scheduled a status conference for October 4, 2005, to learn the progress of the parties negotiations towards settlement.

On October 3, 2005, counsel for Sureway and Stericycle contacted the Commission requesting a thirty-day continuance of the status conference to accommodate final negotiations of the protested application. Commission Staff does not object to the continuance.

**NOTICE IS GIVEN That the status conference scheduled for October 4, 2005, is continued to November 9, 2005, beginning at 1:30 p.m., in Room 108, at the Commission's offices in Olympia, Washington. The conference bridge will be available for parties to call in to the meeting. If you attend via the conference bridge, please call 360-664-3846 at 1:25 p.m.**

Sincerely,

KAREN M. CAILLÉ
