**NOTICE OF REQUEST FOR FILING
(Due by January 30, 2006)
AND
SUSPENSION OF PROCEDURAL SCHEDULE**

Re: Whatcom Community College v. Qwest Corporation
Docket No. UT-050770

TO ALL PARTIES:

The Commission on December 8, 2005, received a motion from Whatcom College to dismiss this proceeding, based on a representation that the parties have reached a settlement. The motion was not accompanied by a copy of any settlement agreement.

Under the Commission's procedural rules, parties to an adjudication must file with the Commission a proposal for settlement, which is subject to Commission review and decision. WAC 480-07-730 provides, in part, as follows:

(4) **Notice to commission.** Parties must advise the commission if they reach a full, partial, or multiparty settlement and may suggest preferred procedural alternatives for review of the settlement, subject to the requirements of WAC [480-07-740](#). The commission will determine the appropriate procedure in each proceeding consistent with the requirements of WAC [480-07-740](#).

Please file a copy of your settlement agreement with the Commission no later than **January 30, 2006**. The existing procedural schedule is suspended pending receipt of the proposed settlement agreement.

Sincerely,

C. ROBERT WALLIS
Administrative Law Judge
